

Lord,

It is time. Time for me to act - doing deeds You direct. You have given me courage and reassurance, signs and wonders. Now Lord - let US do-over my life. Starting at age 51, 1993, when I thought it was over.

Lover, Giver, Forgiver, Best Friend, I love You!

Help me bring Honor and Glory to You the rest of my life. We begin again Lord. All the training, learning, knowing, doing - give it to me I pray, I ask You to grant, in Full Measure - Pressed Down, Shaken Together, and Running Over.

The US Almighty God! YOU and Me. How I love You - trust You, and anticipate great things my God. Because - You CAN!

Love, Greg
