

Dear Stellantis, FCA, Chrysler hiring manager,

I attended Lee Iacocca's funeral. My father worked for him at Chrysler. THAT is how much I respect the company that put me through college!

As my resume proves, I know the digital business inside and out ***that can help Stellantis.***

I was runner up for Hyundai CMO and won for digital expertise. I feel I will easily qualify so I am asking for this shot at working there.

Thanks and I look forward to interviewing,
