

Hi Al-

I have admired your work for decades - I'm proud you're a Catholic. Our mutual friend Robin Sullivan shared with me that she "sent this over to you". I'm asking for a 45 minute meeting with you - in person if you're open to it.

My purpose is to get your advice to "tweak or toss" 5 Catholic ideas. To me they're all blockbusters but for the sake of lowering expectations I've relabeled these brainstorm "Not so sad" ideas.

May I get on your calendar? I promise to be "outta there" in 45 minutes. The agenda is here: [GODclick.com/Kresta](http://GODclick.com/Kresta)

BTW - My wife Kristine and I have a goal of joining you and Sally for "The Good News Cruise" on January 15th.

Of course it's perfectly ok to say "No".

Warm Regards,

Greg Swan

PS: I meet with Bishop Francis Monday re: Michigan's Priest recruitment (<https://GODclick.com/Priest/>)
