

# WE NEED YOUR HELP!

Wednesday the **Fentanyl Fathers** are in town. Before you see their movie and see them talk LIVE, would you consider taking this anonymous survey to measure Fentanyl awareness NOW? We'd love to see if students gained any knowledge with another quick POST presentation survey AFTER. Thanks! *Keep South Smart & Protected!*

What is your Fentanyl IQ?

Just click on this QR code and check off the questions.

Older people have no idea what these things are.

See you Wednesday!
