Dear Mr. Swan:

Thank you for your application for the Combating Overdose through Community-Level Intervention Initiative cooperative agreement. This letter is to inform you that your application was not selected for funding.

Each of the applications received in response to the solicitation for this initiative was evaluated by a panel of qualified experts. The panel reviewed the applications to determine the eligibility of the applicant, whether the applicant possessed the necessary technical expertise and experience, the feasibility of the applicant's plan to fulfill the requirements of the initiative along with the proposed budget, whether appropriate performance measures were incorporated, and whether the required documents were provided.

The outcome of this grant funding cycle in no way affects your ability to apply for funding in the future should funding become available. If you have any questions about the outcome of the grant review process, please contact Jayme Delano at (202) 395-6794 or jdelano@ondcp.eop.gov.

Sincerely,

A handwritten signature in black ink that reads "Shannon Kelly". The signature is fluid and cursive, with the first name "Shannon" and last name "Kelly" clearly distinguishable.
